- H-GAC has recognized the total project cost issue and corrected it in the 2040 RTP project listing for 11/2018 TIP instance (file name: [2040 rtp - project listing revised 10262018 Update 06112019 Revised.pdf](#)) and 02/2019 TIP instance (file name: [2040rtp listing feb revision Updated 07182019.pdf](#)). However, the 5/2019 STIP revision cycle is still under review and the correction cannot be made in eSTIP at this time. Corrections to the total project cost will be uploaded to the eSTIP portal once the May STIP cycle is finalized.
